

MSN-Gruppe - Holland

Hooray, we are international!

On Saturday, June 30, 2007 a new MSN - Group started.

Our aim is to create a nice group of people who have Neurofibromatosis and people who are involved.

You can put your messages on the site ou react on other messages.

The link to the MSN - site is:

<http://groups.msn.com/NFWorld-Wide>

You are very welcome!!

The moderators: Wilna en Leo Velthuis
